Faith that Does Justice

St Ignatius' Spiritual Renewal, places emphasis on the heart and generosity, the offering of oneself to God and His work.

The following unit of work is linked to Ignatian Spirituality, Jesuit Global Identities, Catholic Social Teachings, the 17 Global Goals and the Religious Education curriculum. The overall unit utilises the Ignatius Pedagogical Paradigm-(IPP)

The Ignatian pedagogical paradigm is a way of learning and a method of teaching taken from the Spiritual Exercises of Ignatius of Loyola. It takes a holistic view of the world.

The three main elements are **Experience, Reflection, and Action.**

“Poverty entails more than the lack of income and productive resources to ensure sustainable livelihoods. Its manifestations include hunger and malnutrition, limited access to education and other basic services, social discrimination and exclusion as well as the lack of participation in decision-making. Various social groups bear disproportionate burden of poverty.”

Prayer of Generosity

Lord Jesus, teach me to be generous.
Teach me to serve you as you deserve,
To give and not to count the cost,
To fight and not to heed the wounds,
To toil and not to seek for rest,
To labor and not to seek reward,
Except that of knowing that I do your will.
Amen.
